INFORMATION DISCLOSURE STATEMENT

Sir:

Applicants herewith submit patents, publications and other information of which they are aware which may be material to the examination of this application or to the patentability of the invention disclosed and claimed therein.

The information cited on the attached Form PTO-1449, copies of which are enclosed, comprises a European Search Report received in connection with a corresponding foreign application and the references cited in such Search Report.

This Information Disclosure Statement is being filed prior to the mailing date of an Office Action in the application. Accordingly, no certification or fee is believed to be required for consideration of this submission.

Respectfully submitted,

George W. Hempel et al.
